

UV Commercial Countertop Ice Machine

Luxurious Chewable Ice from Your Countertop

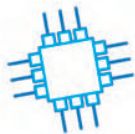

Our DMlct model offers 130 lbs. per day of nugget ice alongside filtered hot and ambient water in a compact countertop-sized format, so you can enjoy soft, chewable ice just about anywhere.

Room-Temp / Hot Water & Ice

Effortless

Capacitive touch icons offer intuitive effortless dispensing.

Advanced

Internal microprocessor controls and monitors system functions.

Smart

LED Smart screen displays messages, system status, and service alerts.

Accommodating

Extra-large 12-inch dispense area makes refilling even the largest containers a breeze.

Refreshing

Advanced reverse osmosis and multi-stage carbon filtration deliver a continuous supply of fresh, clean drinking water and ice.

Clean

LED UV technology and anti-microbial surfaces at the dispense area provide extra protection.
